

REMARKS

Claims 45, 47 and 62 have been amended to recite the Patent Deposit Designation numbers for two biological deposits included in the original application in accordance with 37 CFR § 1.809.

Claims 3, 4, 5, 27, 66, and 69, were amended to clarify the claims and remedy minor errors.

New claim 70 was part of the original specification but was inadvertently included as a second sentence to original claim 69. This has been corrected in the current amendment.

These changes are believed to introduce no new matter, and their entry is respectfully requested.

CONCLUSION

Applicants believe that the application is in good and proper condition for allowance. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is encouraged to call the undersigned at (650) 798-3524.

Respectfully submitted,
